

# Chaman Products Private Limited

<https://www.indiamart.com/chaman-products-pvtltd/>

We are reputed and trusted manufacturers and suppliers of an extensive range of **Rubber and Plastic Products**. These are **highly efficient, durable** and extensively used in **electronic and automobile industries**.

## About Us

**Chaman Products Private Limited** is one of the leading manufacturers and suppliers of a comprehensive range of **Rubber and Plastic Products**. These are designed under the guidance of our experts that meet international standards and norms. We also provide customized solutions in terms of **sizes, dimensions and designs**. Our range is manufactured using optimum quality rubber sourced from trusted vendors.

We are backed by a well-developed infrastructure facility that consists of warehousing and packaging units. These units are managed by dedicated professionals and help us in inventory management as well as superior packaging of products. Our dexterous team and wide network enable us to meet the various requirements of clients within a stipulated time frame. Furthermore, our motto is to provide a superior range of products to our clients at competitive prices.

Under the superior and able guidance of our manager of the company, **Mr. Rachit Goel**, we have carved a niche for ourselves in the competitive industry. His vast business acumen and skills assist us in meeting the growing requirements of our clients. Moreover, owing to our quality-conscious approach, timely delivery services and wide range, we have achieved the maximum satisfaction level of our clients.
